Re: 140-013)

Visited niece of above, at her home at Trailer Park, near Batavia, regarding exhumation of above - learned that her uncle had just celebrated his 92nd birthday. She also informed me that she was not niece, but Mr. was her nephew and that there are 5 natural nieces and nephews -

1. both live on Street
2. Bergen, New York
3. Leroy, New York
4. New York
5. Michigan

Visited at their residence on Street, Bergen, N.Y. Informed them of our needs - both seemed agreeable and will probably give permission - after death of husband. Visit to rest of family was deferred.
